

Mohammed Aslam

Cybersecurity Intern

Enthusiastic and dedicated cybersecurity enthusiast with a solid foundation in information security principles and extensive hands-on training. Currently, an ADCD certified cybersecurity student, actively seeking opportunities to apply my knowledge and skills in real-world settings. A quick learner and committed to continuous professional growth, I have acquired practical expertise through intensive training in network protection and actively engage in self-study to stay at the forefront of the field, consistently seeking out new challenges to expand my cybersecurity skillset
